

# LEISURE BEACH NEWSLETTER

*January 2014*

Prepared by Marcia LaManna

[www.Lisurebeach.info](http://www.Lisurebeach.info)

Wow – Hard to believe it is the end of January already. Warm weather is just around the corner!

The February 3<sup>rd</sup> meeting is a “Meet and Greet” – we are hoping our new residents, as well as our long time residents attend so we can all get to know one another. Please try to make this meeting and, if you can, bring a snack to pass. We will have a few neighborhood updates to report, however this meeting is more of a social get together for the neighborhood!

## **A few reminders:**

- The 2014 civic association dues can be paid at the monthly meetings or mailed in – the form is at the end of the newsletter and on our website. Please make sure we have your current email address in case there is any need to notify residents of any activity or problems in our area.
- At the November meeting we talked and voted about moving the newsletters to our website only and eliminating the paper copies. Our website is <http://www.leisurebeach.info>. If you feel that you need a paper copy of the newsletter please let any officer know ASAP. ***This is our last paper newsletter.***
- There are many children and walkers in our development now and we are getting many complaints on several of the same cars driving too fast, especially on Beach Blvd. - ***please slow down when driving.***
- There is a dumpster for recycling paper and cardboard available at the Moose. Any money earned from the recycling will go to the Moose charities.

## **Dates to remember:**

- Feb 3<sup>rd</sup>: Monthly Meeting, 7PM
- Feb 12<sup>th</sup> - Women’s Birthday Lunch: Call Carol Passa for reserv.
- March 1<sup>st</sup> – 1<sup>st</sup> Annual Canal clean-up day (rain date March 2<sup>nd</sup>)
- March 3<sup>rd</sup> : Monthly Meeting, 7PM
- March 7<sup>th</sup> & 8<sup>th</sup> – Community-wide garage sale.

## **Presidents Corner**

The latest news we have had from both the state and county is that we will NOT be getting a traffic light at our intersection. On a positive note, they have agreed to eliminate the U-turns in front of Leisure Beach that plague us daily. This new control will be built into the roadwork being done on SR 19 sometime in the 1<sup>st</sup> quarter of 2014. This should help keep us all a little safer. This was a result of discussions with Senator Wilton Simpson, the DOT, Beacon Woods Officers and Jack Mariano – a big “thank you” to all of them.

While we are doing talking about “thank you’s” - I just can’t say this enough. **Thank You, Thank You and Thank You** to all the residents who help keep this neighborhood so nice – There are just so many ways you all make this community special. We have lots of great people who pick up trash, help their neighbors, drive the security car, share information about local events, serve on our board, keep current on county codes, manage our bookkeeping and records, put up and take down meeting signs, help weed the median, coordinate activities, pay dues early, keep their homes & yards looking lovely, etc. etc....., just so many things that you each do to make this a great place to live!.

- Daily and weekly home rentals are not allowed.
- Boat owners must observe the “no wake” law. Boats going too fast will be reported to code enforcement.
- Please report any sunken boats, docks that are ready to sink, or any code violations you would like reported under Leisure Beach to our code email leisurebeachcode@gmail.com. You can also report these items, under your own name, directly to the county code enforcement. Remember, when reporting, you will need the address of property/dock in question.

Great to see so many neighbors at our February 3<sup>rd</sup> "Meet and Greet" meeting, and the snacks were fabulous!!!

Our March meeting will be featuring a speaker from Pasco County on recycling – they will be providing the new stickers that allow us to use any container instead of the blue bags for our recycling efforts. There will be also many neighborhood updates after the presentation. We will be selling tickets for a raffle of a "bag full of lottery tickets." Come try your luck, and help us build our community funds at the same time!

***This month's meeting will also be looking for ideas about having some sort of fundraising to beef up our community funds that pay for maintaining our community. All ideas welcomed!!!***

We are considering allowing paid advertisements in our monthly newsletter. If you are interested in this, please let us know at the meeting.

After much discussion, the Board had decided to NOT eliminate the paper newsletters. We were able to eliminate and reduce some expenses so that we can continue the paper newsletters. A big "Thanks" to our Board for all the great cost-cutting ideas!

## LEISURE BEACH NEWSLETTER

*Spring 2014*

Prepared by Marcia LaManna

***Beautiful summer-like weather is finally here, Gulf temperatures are warm and the boating is super this time of the year. Leisure Beach has been pretty quiet and many of us are missing our friends and neighbors who have headed back up north.***

We finally have a temporary no u-turn sign in front of Leisure Beach which has stopped some of the u-turns, but not all of them. The DOT has NOT started the median work on 19 in front of Leisure Beach that will be part of the final design to stop the u-turns. When the work is completed later this year, and the signs are more visible before entering the turn lane, the u-turns should stop

Free boat inspections right in Leisure Beach –

### ***Presidents Corner***

***Welcome Back - to our many friends and neighbors who headed north for the summer months!*** It is so nice to see so many familiar faces returning to beautiful Leisure Beach.

It's that time of the year again where our Civic Association dues need to be paid. Please remember -this money is critical to keep the community looking as nice as it is - can you imagine what Leisure Beach would be like if the median was not mowed and we had no security patrols in the community? This money also goes for membership in the neighborhood associations, newsletters, insurance, as well as for many miscellaneous expenses. Remember – our Board, Officers, and Security Patrol folks do NOT get a salary – everyone works as volunteers, including all the great folks who help with keeping the median trash picked up and tree trimming. We have a great community – let's make sure we keep it this way. **PLEASE SUPPORT LEISURE BEACH by paying your dues and helping whenever possible.**

A heartfelt **“Thank you”** to Ron Walczak and Gary Elliott for all the hard work trimming trees and shrubs in our median. This is tedious, hard work that makes it easier to see traffic when turning, as well as making the median look nice. This also saves the Leisure Beach community money by not having to pay a lawn service for the extra work. As always, another “thank you” to all of you who are so good about picking up trash on your outings – it is appreciated, and the median and surrounding areas look great as a result of your actions.

The Board and I are all looking forward to seeing you at our December Association meeting!
